

**1/18 Share for sale in a Piper PA28-140 in Norfolk**

Location: Old Buckenham Norfolk

Are you looking for cheap flying in unrestricted airspace with a group of like-minded pilots?

If so, this is an opportunity for you.

We have a share for sale in SFG Ltd - the holding company that owns and operates a lovely little PA28 from Old Buckenham in Norfolk.

**THE AIRCRAFT:**

G-AVWA is a PA28-140 Cherokee. She has a new Garmin 8.33 Nav / Com radio, ADF, VOR and a recently fitted Garmin Mode S transponder, the engine has low hours, and the aircraft is always maintained to a high standard. She is kept hangared at Old Buckenham, with Bookings made online with great availability. Great for hour building or recreational flying.

**THE GROUP:**

SFG is a long established group of 18 pilots from a range of backgrounds. Several of the pilots fly together to enhance the flying fun and the group is very friendly. The group has an instructor who supports pilots with check flights and group currency trips as required.

Group finances are very good and a healthy bank balance is maintained with no debt.

The group requires pilots to be licence holders (i.e. no student pilots - sorry) with around 100 hrs flying time logged.

**THE FINANCIALS:**

Monthly rate: £65, Flying rate (per hour wet): £85

**Share price: £900**
